

MONEY CAN BUY EVERYTHING OR NOT?

Money can buy everything

1. I can buy food, clothes and shelter that all are basic need for everyone.
2. Only money can hire employees to run any business and needy will come first.
3. Today everything is commercial so without money higher study is not possible.
4. Money is needed everywhere like entertainment, property, eatable things, visiting any place
5. It can buy books, eye witness, also it can kill people, mobile, laptop, for internet,

Money can't buy everything

1. It can't buy feelings, emotions, love, and trust of the people.
2. Temporary happiness is not permanent life so money can't buy happiness.
3. By money people live enjoy luxurious life but after some years so many diseases occur.
4. It's true that money can necessary things but It can't increase death period.
5. It can kill people, robbery cases, family problems, and money can change human to giant.
