# Pros Of Part Job With Education

# Cons Of Part Job With Education

## Long Shifts After School

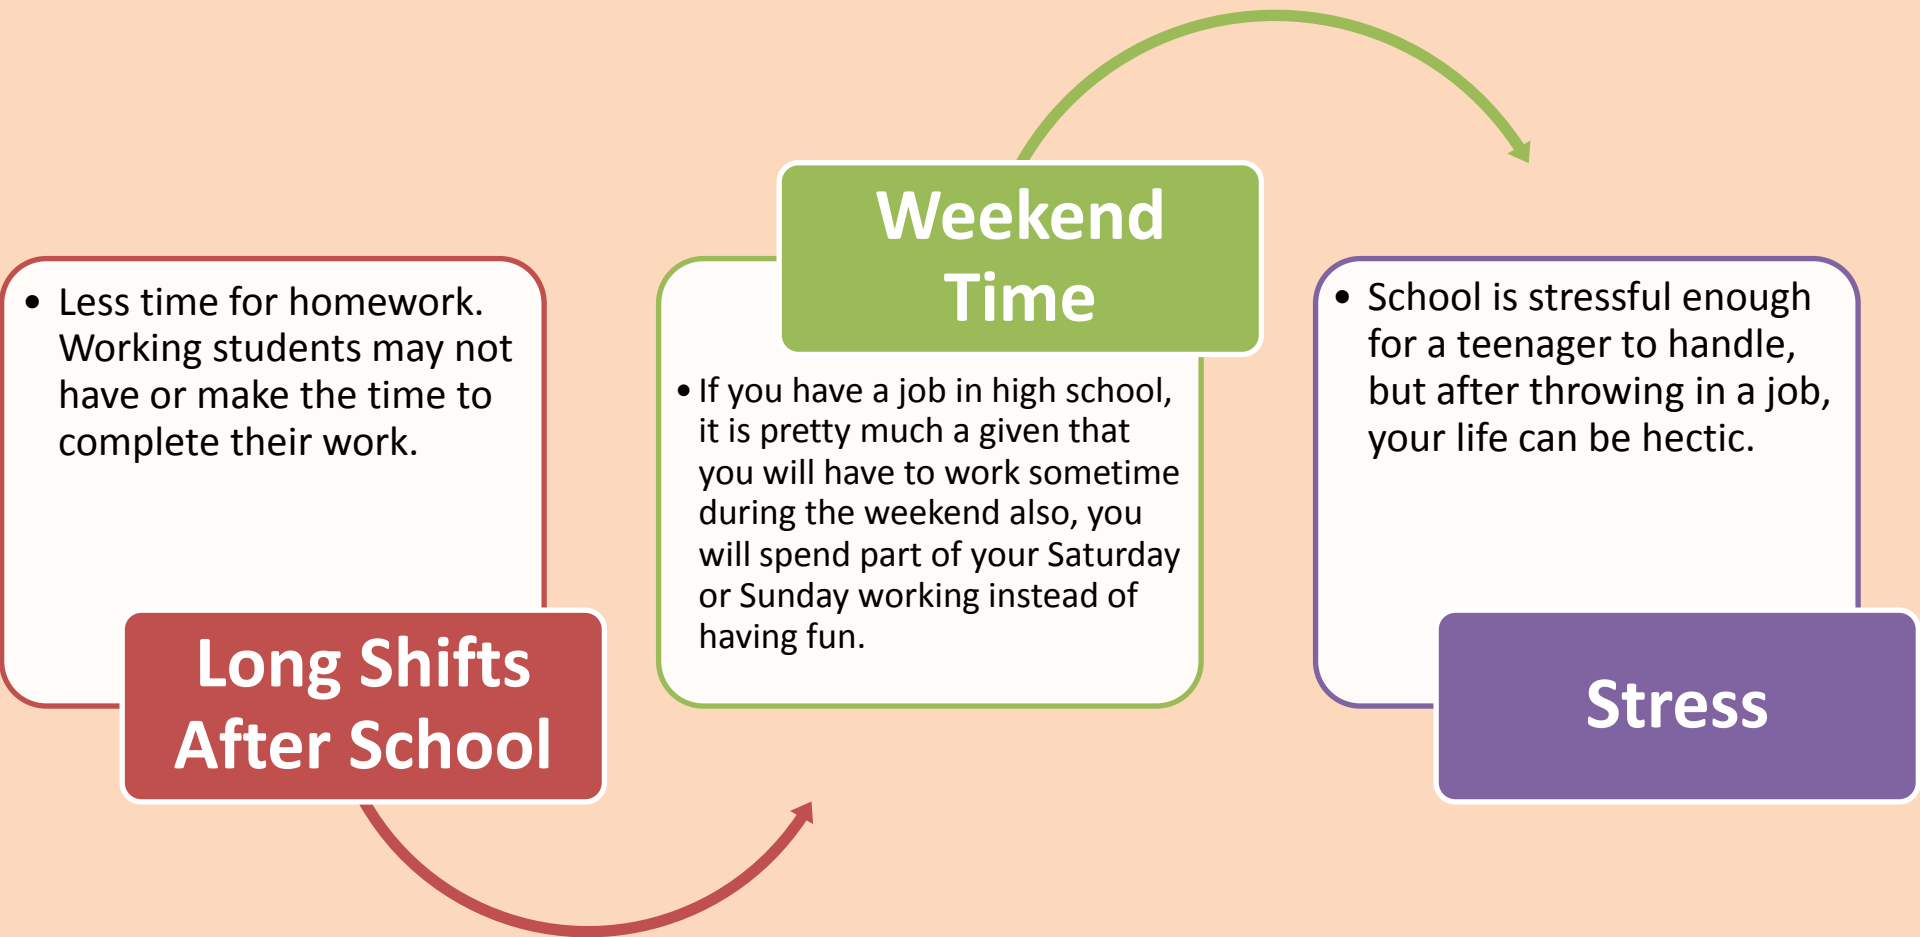

- Less time for homework. Working students may not have or make the time to complete their work.

## Weekend Time

- If you have a job in high school, it is pretty much a given that you will have to work sometime during the weekend also, you will spend part of your Saturday or Sunday working instead of having fun.

## Stress

- School is stressful enough for a teenager to handle, but after throwing in a job, your life can be hectic.
