

GIVING  
DOWRY IS  
GOOD OR BAD

# BAD

- Dowry is a custom observed in several cultures and it has become a social evil.
- The number of females has always been less than males due to social preference for boys and the resultant infanticide.
- Families demand dowry for themselves it is as if they are selling and buying daughters.
- Girls commit suicide due to the demand of dowry.

# GOOD

- Parents give this money to their daughters to buy what she needs , until she feels comfortable enough with the family to spend their money.
- Dowry is just like a gift for the married couple.
- It is good because it secures daughters financially at least once.
- Daughters have lived with their parents what's wrong in it to give a little amount of your parents property.
- Whatever the parents of girl give with their happiness is all that you should be happy with'
