

**WHICH IS  
IMPORTANT  
LISTENING OR  
SPEAKING FOR  
DEVELOPMENT**

# listening

- **It's very much important in real life many company focus in this area regarding recruitment .**
- **Not in job field it has also important in real life to maintain relationship.**
- **A good listener can become a good speaker .**
- **If we are good listener than we can give better suggestion on any topic and implement our views successfully .**

# speaking

- **Speaking tests a person's good communication skills .**
- **A person's personality depends on it .**
- **We can express our selves .**
- **Where reasonable conversation is required we need to be a good speaker .**
